

Nine themes of Digital Citizenship

After reading the article Nine Elements, complete the table describing what you currently do to engage with each of the elements and what you would need to do as a future digital citizen. Some questions have been provided to guide your answers.

RULE OF ENGAGEMENT	WHAT I CURRENTLY DO	WHAT I (SCHOOL) NEED TO DO
Commitment to equal digital access.	<i>Where do you access digital platforms?</i>	
Effective users and consumers in digital environments.	<i>What do you know about buying and selling online as well as using banking?</i>	
Appropriate forms of sharing and communicating information.	<i>How and what do you share?</i>	
High level information research skills for digital engagement.	<i>Do you know what is meant by fake news and how to recognise it?</i>	

RULE OF ENGAGEMENT	WHAT I CURRENTLY DO	WHAT I (SCHOOL) NEED TO DO
Socially appropriate behaviour in digital environments.	<i>Describe your behaviour on digital platforms.</i>	
Abide by all laws in digital environments.	<i>Do you know about copyright, eg Creative Commons?</i>	
Understand and respect digital rights and responsibilities.	<i>Do you have a person to go to when you have online concerns?</i>	
Maintain digital health and wellness.	<i>How much time do you spend online?</i>	
Digital safety, security of information and resources.	<i>How do you protect your identity?</i>
